SAFE OPERATION AND WARRANTY

SAFE OPERATION

People doing any work on a refrigeration system must be qualified and completely familiar with the system and the Refrigerating Specialties Company valves involved or all other precautions will be meaningless. This includes reading and understanding pertinent Refrigerating Specialties Company product bulletins and the current Safety Bulletin RSB prior to installation or servicing work.

WARRANTY

All Refrigerating Specialties products are warranted against defects in workmanship and materials for a period of one year from date of shipment from originating factory. This warranty is in force only when products are properly installed, maintained and operated in use and service as specifically stated in Refrigerating Specialties Catalogs or Bulletins for normal refrigeration applications, unless otherwise approved in writing by Refrigerating Specialties Company. Defective products or parts thereof, returned to the factory with transportation charges prepaid and found to be defective by factory inspection will be replaced or repaired at Refrigerating Specialties option, free of

charge, F.O.B. factory. Warranty does not cover products which have been altered or repaired in the field, damaged in transit, accidents, misuse or abuse. Products disabled by dirt or other foreign substances will not be considered defective.

The express warranty above constitutes the only warranty of Refrigerating Specialties products and is in lieu of all other warranties expressed or implied, written or oral, including any warranty of merchantability or warranty of fitness for a particular purpose, and in no event is Refrigerating Specialties Company responsible for any consequential damages of any nature whatsoever.

No employee, agent, dealer or other person is authorized to give any warranties on behalf of Refrigerating Specialties Company, nor to assume for Refrigerating Specialties Company any other liability in connection with any of its products.

FACTORY REPAIR AND REBUILDING

For the convenience of our customers, we have a standard factory repair and rebuilding service. Repairable returned valves are disassembled, cleaned, sandblasted, worn parts replaced, reassembled, and repainted as may be required.
